Where Can We Stay?

Our Host Hotel is the Clarion Conference Center (formerly Holiday Inn), located at 5400 Holiday Drive. It has a great area for kids and is also the location for our Annual Dinner & Charity Auction. There are other hotels, and plenty of great restaurants within a half mile of the Conference Center. Call 301-694-7500 & ask for Susie to make your reservations. Use room code MCO to get our special rate which includes a full American Buffet Breakfast in the morning. See website for additional nearby hotel options.

Where are the Nationals held?

The Camaro Nationals are held at the Eventplex, at the Frederick Fairgrounds, 797 East Patrick Street, Frederick Maryland, 21708. Situated in the heart of the Civil War Heritage Area, at the intersection of I-70 and US 15; the grounds are fenced, gated, and guarded, and a great location for a car show. Each outdoor space is 10' x 30', grass covered, and is adjacent to a network of paved roads.

The grounds are open 8-4, Friday and Saturday, and include a Kid's corner, Car Corral, Indoor and Outdoor Vendors, a Food Court, and Special display Cars. This year offers a free Thursday Night Cruise & BBQ, a Friday Night Charity Auction & Dinner, and lots of socializing around the hotel lobbies and grounds. A shuttle bus can take you to Downtown Frederick on Fri & Sat. Add hundreds of Camaros, countless friends, a small flock of FireBirds, and you are sure to be in F-Body Heaven!

Trailer, Camping?

Trailer and truck parking is available on-grounds, and is listed on the registration form. Spaces are \$20 each and are 10' wide x 40' long, to accommodate most pick up and car trailer combinations. Consider 2 spaces for very large or difficult rigs. Classes 57 thru 64 include trailer parking in the class fee - but you still need to note your needs on the registration form, so that we can reserve the space. **Camping** is available in the Eventplex track area. Many attendees, including Nasty Z/28.com have a real blast. See attached Registration form for rates. Camping fee does not include admission to the Nationals.

What is the Auction all about? Our Friday Night Dinner is followed by the Annual Charity Auction. The dinner started at the 2000 Nationals, and has grown to be a highlight of the event. Donations are collected from sponsors, vendors, and area businesses; and include everything from Camaro tee shirts, jackets, clocks, consoles, grilles, brake systems, vintage tires, garage wall art.....you get the idea. 100% of the money raised is donated to charity - including the Silence of Mary Home for disenfranchised children. Over \$100,000 has been raised over the years. Everyone is welcome at the Auction - dinner is not req.

Classes

Go to www.americancamaro.org for more detailed information and details on classes and their guidelines

NON-JUDGED - Class 30 & 30A - If you are not into judging or detailing your Camaro, this class allows you to participate in all the fun and comradery of the Nationals at prices that can't be beat...Pre-Registered or "Day of Show". Non-Judged 1967's (Class 30A) are no charge this year!

PARTICIPANT VOTE CLASSES - These classes are judged by popular vote of the Camaro attendees. Stock should look stock. Mild Mod is for bolt-on items under the hood, seat changes, tuner lenses, etc. No cutting of body, hood, or dash in Mild Mod. Modified / Custom classes are open to scoops, blowers, custom interiors, tubs, etc. Host club members will be judged in their own classes. For any questions not addressed on website listed at top of page, contact Gary Sommers via email at: seamus90@aol.com or at 240-446-9050.

Available for Pre-Registration and "Day of Show" registration.

Heartbeat Classes - Class 1 thru 27 200 Points Judged Pre-Registered Only
Choose the class that best describes your Camaro. Judges will be evaluating the presentation of the car; the paint condition, fit, finish, interior condition and cleanliness, engine compartment detailing, trunk, tires, glass, etc. As this is a 'Show & Shine' class, scoring will be weighted toward the detailing and the overall cleanliness of the car, rather than checking codes and numbers. Points will be deducted for items that are modified beyond the level of the class description. **Cars must be parked in the designated class area, and will not be judged in or on trailers; or in the display buildings.** Only one class per car. See Website for additional information. For any questions not addressed on website listed at top of page, contact Gary Sommers via email at: seamus90@aol.com or at 240-446-9050.

STOCK - Original or restored cars in these classes must look overall stock. The highest score will be awarded to cars that look closest to as they did when they left the GM assembly line. Color, interior, and engine must have been available for that year production, as must wheels, hubcaps, stripes, and spoilers. Radial tires of approx original size are allowed. Spare tire is required for full points in trunk area. Factory spare covers in later generations will not be opened, and spare is assumed to be present. Three minor changes allowed before points deductions will be taken or class changed, such as aftermarket radios, shifters, LED accents, stock looking MAF or air cleaner changes, lens covers, strut tower supports, etc.

| 06 70-81 Coupe | 16 10-15 Coupe & Conv |
| 09 82-92 Coupe & Conv | 20 16 - Present Coupe & Conv |

VINTAGE STOCK / DEALER STOCK - Class 3 Exclusively for 67 - 69 Camaros slightly modified with vintage parts and styling...i.e. GM spoilers, traction bars, headers, tachometers, gauges, chrome reverse wheels, Mags, GM cross-ram intakes, etc. These items were to have been popular modifications in the late '60's and early '70's. Paint, stripes, interior, and engine must remain factory or dealer appearing. This is the proper class for Cross-ram Zs, & dealer modified cars like Yenkos & Motions and their tribute cars. Deductions made for items modified beyond those listed. Car will be re-classified if overall criteria not met.

MILD-MODIFIED - Includes Camaros with decorative and performance bolt-on items able to be installed by an average Camaro owner. Camaros are to look mostly stock in appearance. Examples are paint color not proper for year, minor stripe changes, bolt on sub-frame connectors, lens covers, tuner tail lights, aftermarket air cleaners, MAF covers, battery covers, radiator covers, covered or colored hoses, non-stock wires, strut tower supports. Stock Carburetion / Injection required in this class. Points deducted for roll bars, custom paint or upholstery, TV's, extensive chroming, chrome chassis parts, etc.

| 07 70-81 Mild Modified | 14 93-02 Mild Modified | 21 16 - Present Mild Mod |

MODIFIED - Includes non-stock size motors (383, 502 etc.), non-stock carburetors, injectors, blowers, turbochargers, superchargers, digital dash clusters, over and under sized tires, chroming, and roll bars up to 4 mounting points. Aftermarket seats, sound systems, & lambo style doors OK. Basic subframe, transmission and rear to remain intact for this class. Spare tire required for full points. Points will be deducted for non bolt-on body modifications, extensive airbrushing, televisions, custom door panels, custom dashes, & custom consoles, and roll bars with more than 4 mounting points. (These cars should be in Custom - Class 26)

| 08 70-81 Modified | 15 93-02 Modified | 22 16 - Present Modified |

TOURING / CUSTOM - Class 26 - Class allows for hand built or custom chassis, hydraulic suspensions, heavily modified bodies and wide bodies, suicide and gull wing doors, reversed hinge hoods, chopped roofs, custom paint schemes, custom interiors, molded in TV's etc. Includes first and second generation Camaros that have been fitted with late model drive trains, oversize brakes, large diameter wheels, lowered chassis, ultra plush interiors, and late model air conditioning. Typical of cars built for the "Hot Rod Power Tour". Spare tire not required to receive full credit for trunk area.

COMPETITION / PRO-STREET - Class 27 - Includes all years Camaros built for drag, oval or road racing, in addition to all unlicensed Camaros. Unlimited modifications allowed in this class, including wheel tubs and narrowed rears. Spare tires are not required for full credit in trunk area.

BOW TIE CLASSES 1000 Point Judged Class Stock Pre-Registered Only

Camaros in this class will be judged against a judging sheet for a points based award, rather than against the scores of other cars. Although cleanliness will be addressed, the major emphasis will be on duplicating the way the car would have come from the factory. Basic numbers and trim tags will be checked, to confirm that features, options, and colors are correct for the car being judged. Judges will be checking for bias tires, spiral shocks, proper battery, alternator, distributor, etc. Equipment may be original, NOS, good quality used, or high quality reproduction parts. Class is limited to 15 cars in 1st generation, 6 cars each in 2nd and 3rd generations. Like all judged classes at the event, cars must be pre-registered.

Trailer parking is included in the class fee - be sure to check off trailer parking on the registration form if it is required. As this class is parked and judged indoors, cars must be on grounds and available by noon on Thursday in order to be staged in final positions by 4 PM, when the building is locked. Cars are expected to remain in the building until Saturday after the awards ceremony. This class fills very quickly, so do not hesitate to register if interested. For more information contact Bud Scolastico at buds396@gmail.com / 610-921-3721.

Please note that although this class goes into quite a bit of detail, it is not on a par with our concours "Legends" class. Judging time is approximately 30 minutes per car compared to 3 hours per car in Legends. For those interested in the possibility of moving on to Legends and would like to have their car evaluated for that class, specify 57L or 58L.

LEGEND CONCOURS CLASS - '5000 Point Three Year System - Pre Registered Only

This system is limited to first and second generation Camaros. As this concours class goes into detail beyond the scope of many participants, Camaros entering this class must be qualified by previous participation in BowTie Class 57L or 58L; or optionally by inspection of one of the concurs judges prior to entry. This requirement is in place to save expense and time of those not familiar with this system, and to prevent assigning the limited number of Legend spaces to unqualified cars; thus preventing qualified cars from participating. Pre-qualification or inspection does not assure placing at awards, but confirms that the car in question has a reasonable chance at performing well in the system.

This is an extremely thorough system - cars will be inspected in all areas, including from underneath. This inspection can take up to three hours per car. All parts will be evaluated as to part number, mfg date, originality, finish, and condition. Trailer parking is included in the class fee - be sure to check off trailer parking on the registration form if it is required. As this class is parked and judged indoors, cars must be on grounds and available by noon on Thursday, in order to be staged in final positions by 4 PM, when the building is locked. Cars are expected to remain in the building until Saturday after the awards ceremony. This class fills very quickly, so do not hesitate to register if interested.
